Dear Mr Swinney

**PROPOSED RESIDENTIAL DEVELOPMENT
WEST CRAIGS EDINBURGH**

I refer to our telephone conversation today, and to my letter of 13 February 2008 to your Council (copy enclosed).

Thank you for confirming that you have approved that your Council's contact details can go on West Craig's web site which will shortly go live, and that you will be the initial point of contact. Thank you also for confirming that your Council wishes to be copied in on all formal responses from the public via the web site.

This is a complicated development proposal with substantial supporting information now available which addresses key issues of environment, transport, education, and affordable provision.

As I mentioned to you, Susan Napier of Dunedin Canmore Housing Association & I have already made presentations to Margaret Smith MSP, Councillor Kier, and are due to present to Drum Brae Community Council on 9 June 2008.

I and Susan would welcome the opportunity to meet with your Council and discuss West Craigs in more detail. I therefore look forward to hearing from your Council with suitable dates & times for us to meet, so that both we as promoters and your Council can accord with Planning Advice Note 81 on Community Engagement.

Yours sincerely

STUART BUCHANAN
Asset Manager for West Craigs Ltd.
